

## **AASECT 2023 Annual Conference Volunteer Application**

Thank you for your interest in being a volunteer at the *2023 AASECT Annual Conference!*

Volunteers are an integral part of the annual conference as they provide various services to help attendees get the most out of the conference experience. This year's theme is Rediscovering Connection: Inspiring Our Collective Imagination. Following a few extremely challenging years filled with isolation and separation, we are so excited to come together again as a community to learn, share and celebrate with one another!

**The primary responsibility of the conference volunteer team is to make our attendees feel welcome and supported throughout the conference.** Contributions could also include welcoming attendees, moderating workshops (if needed), helping at registration, taking photos, facilitating dinner meet-ups, welcoming exhibitors, and directing attendees to appropriate conference locations. The conference organizing committee is looking for volunteers who can embody a welcoming and friendly disposition so that attendees can feel a personal connection to AASECT.

By volunteering at the conference, you have the opportunity to contribute to the AASECT Community and be a part of the exciting programming we have in store. If selected, you would receive complimentary conference registration as gratitude from AASECT for your service.

AASECT is committed to creating and fostering an inclusive environment at our events rooted in our DEI-centered Strategic Plan. We encourage members from under-represented and marginalized communities to apply for these volunteering opportunities.

To be considered, please submit a complete application, along with a copy of your CV/resume and your responses to the application questions. All applications should be submitted electronically **as one pdf** file to [conference@aasect.org](mailto:conference@aasect.org) by **March 17, 2023**. A team of volunteers will be selected from the application submissions.
